1	From the Deputy Comr, Chitaldrug. No A6 C 616-121/45-46-925-CO Requests sanction to the Conversion of Davangere Town Municipality into a city municipality as resolved by the local municipal Council.
	Subd: Question of conversion of Davangere town municipality into a city municipality was taken up on the initiative of the local municipal council who considered the question previously that the meetings held on 15-9-45 & 23-9-45 were not in favour of the proposal as it was apprehended that it involved the enhancement of the existing rates of taxes & increased expenditure on staff etc. The municipal council also thought that the war time was not propitious for such conversion. In the circumstances, the proposal was ordered to be over till the war is over.
2	The municipal council of Davangere have now resolved at their meeting held on 2-8-45 that it may be converted into a city municipality

Council will be about 30 [illegible] with the non-official element in a majority against twenty members in a Town Municipality. Every City Municipality shall also have statutory officers such as a Municipal Commissioner, a whole time Municipal Health Officer and a whole time Municipal Engineer. An Asst Engineer is already working in the Davangere Municipality & Govt have recently agreed posting a Health Officer to it. The functions which a City Municipality has to perform are generally more than those prescribed in the case of a Town Municipality - It has to provide greater amenities to its citizens. This necessitates the entertainment of additional establishment with extra expenditure. What additional establishment would be required & what it costs are details to be worked out in consultation with the Municipal council of Davangere & the Dy Comr, Chitaldrug District.

Conversion of Darwar town into a city municipality.

Firstly, the municipal council will have to provide for a municipal court who will generally be of the status of a Deputy Court & some additional staff. The extra cost on these may perhaps be estimated at Rs 15000 per year

2) As regards additional provision for improvement works etc, it is noted that this is a matter entirely depending on the decision & the means of the municipality

Conversion of Dawsonpore town into a city municipality

Sub The budget estimate of Dawsonpore & Mysore city for the last 3 years are before us.

From a comparative study of the two sets of budgets, it is seen that the difference between the two is only of magnitude & that there is not much difference between the two. While Dawsonpore Municipal Council anticipates some income from professional tax, it has not imposed any lighting tax. Again in the Mysore city municipality some income is expected from the levy of amusement tax & registration of documents & vehicles. There are no corresponding items in the budget of Dawsonpore.

The most important difference between a town municipal council & a ~~the~~ city municipal Council is that the latter has to have a non ~~town~~ official municipal President & a municipal court of the status of a Dy Court or an official President of the status of a Dy Court while

while a Town Council has an official President of the State generally of an Author where a municipal council has a non official President, there is no office corresponding to a municipal Town employed in the care of a city municipality. Besides this, a city municipal council has to appoint a whole time Municipal Engineer & a whole time Health Officer.

As regards duties, a city municipal Council has to provide for the following amenities, which have not been provided specifically for in the Town Municipalities Act:—

1) Provide for facilities of a Cooperative Society for its employees & for Provident Fund or a benefit society. (S 61)
2) Provide for motor Bus or other transport facilities to the public (S 61)
3) There shall be a managing committee of a city municipal council. (S 30)
4) Establishment Dairies for supply of milk & milk products (S 61)
5) Power to require removal of the effects to private streets

and to lay out streets by private persons (S. 105 & 107)

6) Regarding the provision of separate drains in houses for sewage & rain water (S 124–126)

7) Power to close existing drains.

8) The municipal council may execute certain works & recover the cost from house owners (132 (2) & 133)

9) Prohibition of dangerous erections (S. 148)

10) Provide for the removal of insanitary buildings (153)

11) Provide public baths & prohibition of (154 (3)) bathing of water (157 & 158)

12) Arrange for the consumption of smoke from furnaces etc (S 165)

13) The President, Vice P or any other officer authorised in this behalf may inspect any article of food or drink with a view to find out if it is wholesome & pure (172)

14) The city municipal council has to provide for the prevention ~~of the~~ of the outbreak of epidemics & ~~check~~ check their spread when it breaks out (S. 175)

Barrow municipal council has already appointed a whole time Health Officer and Asst Engineer & a Chief Officer of the grade of an Assistant. The point for consideration is whether the municipal council can shoulder the additional expenditure involved in the appointment of additional staff necessary to give effect to the additional duties imposed upon it as a result of its conversion as a city municipality

The most important difference is that the city Police Act

is that a Municipal Commissioner has to be appointed for a city Municipality whose expenses in this behalf depends upon the grade of the Officer appointed

Officers of the rank of a D.C. – III class, the extra expenses to be provided for would amount to about Rs 10,000 and his staff would cost another Rs 5000 p.a. or Rs 15,000 in regard to other matters relating to sanitation &c provision of amenities to the citizens, it would depend upon the nature of work undertaken and the expenditure incurred

Requests Sanction for extending the term of the present Davangere Town Municipal Council for a period of one year or until such time as is required for the Constitution of the City Municipality at Davangere in the event of Govt agreeing to the proposals of Conversion in the immediate future

48 Davangere Town Municipal Council to be Reconstituted from 1-7-47

49 The question of Conversion of Davangere Town Municipality into a City Municipality is being considered and if this proposal is to be Sanctioned shortly the DC, Chitaldrug Considers that it would not be desirable to hold the Municipal election fixed for the 31st May '47 as fresh election will have to be held again after election Conversion, and it deems necessary to avoid this election atmosphere at frequent intervals especially in a town like Davangere

50) The DC has therefore Recommended to extend the term of the present Municipal

~~These papers relate to the~~ Proposal to convert Davangere Town Municipality into a City Municipality.

The question of conversion of Davangere into a City Municipality was mooted as early as 1943, but it was deferred, as the war time conditions then prevailing were considered not propitious for such a conversion

2 The Davangere Town Municipal Council took up this question again at its meeting held on 2nd August 1945 and resolved to request the Government ~~for~~ to constituting Davangere the Town into a City Municipality The Municipal Council are agreeable to shoulder the additional responsibilities and the expenditure involved in the conversion of the Town into a City Municipality The Deputy Commissioner, Chitaldrug District has recommended sanction to the resolution of the Municipal Council, having regard to the growing importance of the town

3 As the preliminaries required to be observed in implementing the resolution of the Municipal Council ~~occupy~~ take some time, the term of the present Council which expires on 30th June 1947 has to be necessarily extended.

4 When the file came up to me, I minuted as follows -

"Davangere is a commercial centre, which is steadily growing in size and importance With the improvement of existing amenities and with more industries springing up in the neighbourhood, it is bound to grow still more in population and importance The demand for its conversion into a City Municipality is therefore legitimate and may be granted

The Municipal President and some Municipal Councillors who saw me a fortnight ago, urged that a favourable decision of the question may be taken

Subject, Conversion of Davangere Town Municipality into a City Municipality

Sir,

With reference to the correspondence ending with letter No L 9719/Ml 6-42-50 dated 17-3-44 received from the Secretary to Government, Law Department, intimating that the question of the conversion of Davangere Town Municipality into a City Municipality may lie over till the War is over, I have the honour to state that the Municipal Council, Davangere at its meeting held on 2-8-1945 has resolved that Govt be requested to accord sanction to its conversion into a City Municipality The President of the Municipality has requested that sanction of Government for its conversion may be obtained at an early date

2 The Local area of Davanvere town was constituted into a Town Municipality in the year 1908 under the Town Municipalities Act of 1906 The boundaries of this Municipality are defined in G O No L 5405- Ml 89-43-6 dated 24-11-1943 The population of Davangere Town as per recent Ration census is 43545 inhabitants

3 The receipts and expenditure during the year 1944-45 are as follows,

Opening balance,	Rs	1,52,561
Receipt during 1944-45,	Rs	3,93,952
Total,	Rs	5,46,513
Expenditure during 1944-45,	Rs	4,84,973
Closing balance on 30-6-45	Rs	61,540

4 Considering the importance of the town which is rapidly growing both as an industrial and a commercial centre, its increasing population and the several complicated questions

arising in the course of its adminstration, public health, sanitation etc , it is very desirable that this town Municipality be converted into a City Municipality I request that sanction of Government may kindly be obtained for the conversion at an early date as per the resolution of the Town Municipal Council

5 The entire correspondence ending with letter No H C 18/45 dated 13-9-45 received from the President, Town Municipal Council, Davangere is enclosed herewith for favour of reference

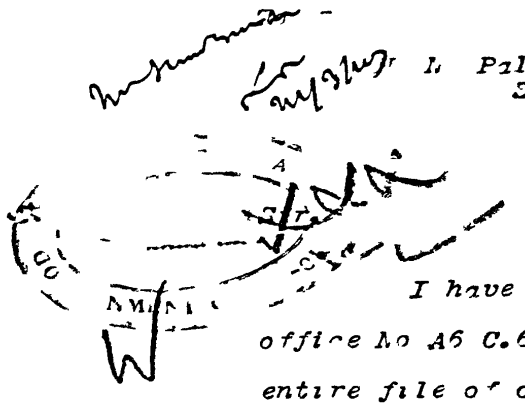
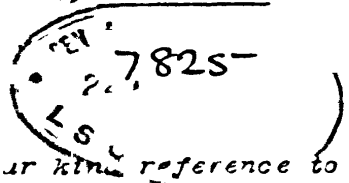
No AF C 616-121/45-46 Office of the Deputy Commissioner,
Encl 8 Chitaldrug District,
Dated Chitaldrug, 22nd March 1946.

From L. Pallegar, Esquire, I.A.S., LL.B.,
Secretary to the Government of Mysore,
Revenue Department, Bangalore





I have the honour to invite your kind reference to this office No AF C.616-121/45-46 dated 24-10-1945 enclosing the entire file of correspondence relating to the conversion of the Davangere Town Municipality into a City Municipality, and to the subsequent correspondence in the matter.

I met the members of the present Municipal Council and also the other leading gentlemen of the town on the 15th instant, and discussed this question with them. All of them were unanimous in their opinion that this Municipality may be converted into a City Municipality. I am enclosing for favour of perusal and information of the Government, a copy of the letter No MC 18 of 45-46 dated the 6th instant received from the President, Municipal Council, Davangere in connection with this subject. I agree with my predecessor that it is desirable to convert the Davangere Town Municipality into a City Municipality, as it satisfies the requirements regarding the conditions necessary for converting the same into a City Municipality, both with regard to the population and with regard to the Municipal income. I, therefore, request that early orders of Government may kindly be obtained in the matter.

In this connection I may add that there was a representation on the 13th February at Harihar, to the Dewan Sahib, when he passed through Harihar on his way to America, that, in the event of Government passing orders for converting the Town Municipality of Davangere into a City Municipality, the term of the present Municipal Council may be extended until such time as the formalities to convert the same into a City Municipality are gone through. The Dewan Sahib directed me to examine this question. In the meanwhile I received some petitions and a few telegrams

2/3

telegrams against the extension of the term of the present Municipal Council. On the 16th instant I met persons who had given the telegrams and in the presence of the present Municipal President, asked them their reasons as to why they were against the extension of the term of the present Municipal Council. The only allegations that they were able to put forward against the present Municipal Council are that they have a very good majority and that they have put in some prosecutions against certain individuals for violations under the Municipal Act, whereas they have not taken similar action against some others belonging to the majority party. The only persons that came forward to represent in this matter are the persons that were aggrieved by such prosecutions that have been launched. I am satisfied myself both by looking into the connected records and during my inspection of the town, that the contention of the persons referred to, that the present Municipal Council is harassing the persons on party considerations, is not a fact. Prosecutions have been launched for offences under the Municipal Act. If at all, I think, in my opinion the present Municipal President is not taking very strong action with regard to the persons who contravene the Law. There have been no allegations so far I can make out, of any serious nature against the present Municipal President or the Vice-President, apart from some general allegations that were made. I am satisfied from local enquiries conducted by me, that Mr Kottur Basavappa, the present President, is quite impartial and above party considerations and that he has got a clear majority in the existing Council. No doubt, the opposite party who object to the extension of the term of the present Council stated that the present Municipal Councillors, should not be shy of the coming elections, if they are really confident that they command the confidence of the rate-payers of the town, and if they are sure of their success in the coming elections. In the event of the Government accepting the proposal to convert the Davangere Municipality into a [redacted] Municipality in the immediate future, it is not, in my opinion, [redacted]le to hold the Municipal election fixed for the 31st May 1947, [redacted] of the fact that fresh elections will have to be held in the [redacted] Davangere being converted into a City Municipality. In my [redacted] it is not desirable to have the election atmosphere at --

at frequent intervals, particularly in a town like Davangere The other alternative suggested by the persons who opposed the extension of the term of the present Municipal Council, that on the expiry of the present term of the existing Council, the Municipal administration may be carried on by the Sub Division Officer, Davangere or any other officer to be appointed by the Government, until such time as the constitution of the City Municipality at Davangere is not feasible, as such a course would reflect on the ability and conduct of the present -- President and the existing Municipal Council As stated by me above, the work of the present President and the existing - Municipal Council is quite satisfactory, and I do not see any reason why the present President and the Council should not continue in office, till the constitution of Davangere into a City Municipality I, therefore, recommend that early orders of Government may kindly be obtained extending the term of the present Municipal Council, for a period of one year, or until such time as is required for the constitution of the City -- Municipality at Davangere, in the event of Government agreeing to the proposal to convert the Davangere Municipality into a City Municipality in the immediate future As the elections will have to come off very soon, I request immediate orders of the Government in the matter

The telegrams and the petitions received by me in this connection are enclosed

I have the honour to be,

Sir,

We, the undersigned, beg to represent the following facts for favour of kind and needful action and early orders thereon.

1. We are given to understand that the Municipal President and some of his supporters have been trying to secure an extension of the term of the present Municipal Council. We beg to bring to your kind notice that a clique is formed in the council consisting of majority of the members. To borrow the phraseology of a politician it may be called a "Brute majority". It is brought into being solely for the purpose of self-aggrandisement and self-glorification as set forth below.

2. Sanitation has been totally neglected. There is dirt, squalor and stench especially in localities where poor and middle class people live.

3. They have been abusing the powers vested in them in unnecessorily, unjustly and unreasonably launching prosecutions against whom they have developed a dislike. Poor people are threatened with notices and endorsements.

4. Some of the prosecutions have already failed. The money spent on this behalf by the council is a waste of public funds. We pray that this must be made good by surcharging the members who voted for prosecutions.

5. Some of the members are merchants dealing in cloth and foodstuffs such as Bengal-gram, Dall etc., They have an advantage over other merchants. They approach the authorities and create a profound impression on their mind and secure permits and licenses. They make enormous wealth easily and without any

THE PRESIDENT
TOWN MUNICIPAL COUNCIL,

To

The Deputy Commissioner,
Chitaldrug District,
Chitaldrug.

Sir,

Subject - Converting Davangere Town Municipality into a City Municipality.

In continuation with this office letter No.H.C.18/45-46 dated 11-6-1945, requesting you kindly to move Government to take necessary steps to convert Davangere Town Municipality into a City Municipality and another letter No.H.C.18/45-46 dated 14-9-45 on the same subject, I have the honour to state that the whole Council is very anxious to see that the Town Municipality is converted into a City Municipality, at an early date and the public of Davangere Town as one man are eagerly awaiting the day when their Municipality is so converted and a status, which Davangere richly deserves is given to it.

The pre-requisites for any town Municipality to be converted into a City Municipality and the conditions that it should satisfy are:-

1. that the Town to be declared a City contains a population of not less than 25,000 inhabitants;
2. that the Municipal Council concerned has got to be consulted in the matter;
3. that a notification in the Official Gazette declaring the - Town Municipality into a City Municipality has got to be published;
4. that not less than two months before the publication of notification declaring the area a City Municipality, Government shall cause to be published in the official Gazette in English and Kannada and to be posted up in conspicuous spots in the said area in Kannada a proclamation, announcing that it is proposed to constitute Davangere Town Municipality into a City Municipality and requiring all persons who entertain any objection to the said proposal to submit the same, with the reasons therefor, in writing to the - Deputy Commissioner within two months of the date of the said proclamation,

under Section 5 (1) read with Section 7 (1) of the Act VII of 1933 (The Mysore City Municipalities Act 1933).

In the present case the Municipal Council has given its unanimous

effort. It is needless to state it has disastrous effects on the life of the public.

6. They do not take any action when the municipal members infringe the rules.

7. All the Municipal Depots are allowed to be mismanaged for obvious reasons.

8. They do not seem to think that issuing of license is their legitimate duty. But they think it is their prerogative.

9. We learn that they are going to present a mass petition signed by ignorant people and that they approach the powers that be in the matter of granting a further lease of life to the present notorious body on the 29th instant.

10. If they had been popular they would never have thought of the extension. Their very anxiety to secure the same clearly indicates their unpopularity.

11. They have been granting valuable sites to their favourites at upset price causing heavy loss to the municipality.

12. They are trying to acquire plots belonging to individuals whom they dislike for resale as sites causing them heavy loss and inconvenience.

In view of all these reasons, we request you to supersede the present council till the next election.

We beg to remain,

Sir,

Yours faithfully,

Davangere,

Sir,

Subject - Converting Davangere Town Municipality into a City Municipality.

In continuation with this office letter No.M.C.10/45-46 dated 11-8-1945, requesting you kindly to move Government to take necessary steps to convert Davangere Town Municipality into a City Municipality and another letter No.M.C.18/45-46 dated 14-8-45 on the same subject, I have the honour to state that the whole Council is very anxious to see that the Town Municipality is converted into a City Municipality, at an early date and the public of Davangere Town as one man are eagerly awaiting the day when their Municipality is so converted and a status, which Davangere richly deserves is given to it.

The pre-requisites for any town Municipality to be converted into a City Municipality and the conditions that it should satisfy are:-

1. that the Town to be declared a City contains a population of not less than 25,000 inhabitants;
2. that the Municipal Council concerned has got to be consulted in the matter;
3. that a notification in the Official Gazette declaring the Town Municipality into a City Municipality has got to be published;
4. that not less than two months before the publication of notification declaring the area a City Municipality, Government shall cause to be published in the official Gazette in English and Kannada and to be posted up in conspicuous spots in the said area in Kannada a proclamation, announcing that it is proposed to constitute Davangere Town Municipality into a City Municipality and requiring all persons who entertain any objection to the said proposal to submit the same, with the reasons therefor, in writing to the Deputy Commissioner within two months of the date of the said proclamation,

under Section 5 (1) read with Section 7 (1) of the Act VII of 1933 (The Mysore City Municipalities Act 1933).

In the present case the Municipal Council has given its unanimous

opinion in favour of the conversion.

According to the Census of 1941 the town alone excluding the Cotton Mill area contains a population of 32,000 inhabitants. As per Ration Census of 1946 it was 51,234. The Present population of Davangere Town can safely be taken as not less than 40,000 inhabitants.

The questions of additional expenditure that the Municipality has got to bear and the additional taxes that it has got to levy in case it is converted into a City Municipality do not appear to be - relevant to the proper consideration of the case.

The Municipal Council after deep deliberation and after considering the pros and cons in detail (additional expenditure and additional - tax not excluding) have come to the unanimous decision.

Moreover the expenditure that the Municipality is incurring at present and propose to incur in future is in no way little.

1. They have got a Chief Officer of the grade of an Amildar.
2. They are prepared to entertain an Engineer of the Grade of an Assistant Engineer and give him necessary establishment.
3. They have resolved to increase the Office establishment, Octroi establishment, Conservancy establishment and the Garden - establishment.
4. They have resolved to maintain a Health Officer not below the II Grade and provide him with necessary establishment.
5. They are further prepared to shoulder any extra burden if it is for the good of their City and efficient running of the Municipal administration.

They have levied -

1. Kohatarfa Tax.
2. Professional Tax.
3. ater Tax.
4. Sanitary ~~x~~ Cess.
5. Octroi duty, on all most all the dutiable articles mentioned in Schedule II of the Act VII of 1933.
6. They are collecting Vehicle Tax, Toll etc.

It is now for the Government to make up its mind and get a - proclamation published in the Official Gazette notifying its intention to convert Davangere Town Municipality into Davangere City Municipality and call for objections if any and after two months just to declare by notification in the Official Gazette, that Davangere Town Municipality

is converted into a City Municipality from such and such a date

The matter appears to me to be of a very urgent nature because such important questions as the constitution of the Improvement Trust Board, under-taking important Development schemes and the holding of elections etc., seem to be hanging upon a decision on this matter.

In the circumstances I request you kindly to pay your personal attention and see that the matter is decided quickly.

A draft copy of the Proclamation to be published is prepared and sent herewith.

I have the honour to be,

Sir,

Subject - Conversion of Davangere Town Municipality into a City Municipality

With reference to your letter No L 13386 dated the 3rd April 1947 requesting me to intimate whether enquiries were made of the Municipal Councillors who are opposing the postponement of the Municipal elections and the conversion of the Davangere Town Municipality into a City Municipality etc, I have the honour to state that I enquired of Messrs Jamboanna and other Municipal Councillors who are in the opposite camp. There are about three Municipal Councillors who are in a minority and they themselves state that there is a brute majority in the existing Municipal Council. Their version is that the term of the present Council may not be extended. They are not, however, opposed to the conversion of the Town Municipality into a City Municipality. I have enclosed to my report the telegram that I received from some of these members before I enquired into this matter and submitted my report.

The telegram received with your letter under reply is returned herewith as desired.
